The **Integration Point** offers support with all questions regarding finding a job or vocational training in Germany for persons holding either a **BÜMA, Aufenthaltsgestattung** or **Duldung**.

Good language skills are the key to a successful start into working life.

Therefore we will help you find a suitable German language course.

We will guide and support you:

- In analysing your professional skills and work experience.
- In all questions about vocational training and (further) studies.
- During the process of validating your certificates / qualifications (school, studies, work) and bear the expenses, if necessary.
- In finding available integration courses and other measures, in order for you to find a job as soon as possible.
- In your contact with other public authorities and institutions.

Our team, with strong intercultural skills, is waiting for you willing to support you.

We offer extensive and individual job market counselling:

Together with you, we search for suitable jobs and apprenticeships.

We provide professional support in creating job application documents.

We offer you and potential employers, **custom-fitted support measures** for a professional integration.
